Date course completed: 17/04/18

Unique pass code: 2592-109258-38627

This award certifies that "Mick Carter" has successfully completed the above course.

In line with legislation this training does not expire but it is your responsibility to make sure that you are always up to date with the core subject. It is recommended that you redo the training every 2 years.

This course is designed for people who want to receive training in health and safety and is tailored for people who look after young people. The main learning objectives of the course are as follows:

To know what health and safety is

To understand health and safety legislation

To be aware of the benefits of health and safety

To know who enforces health and safety

To understand risk assessment, reporting, and recording

This course is specifically for employees who work with Care Leavers and is fully CPD accredited.

To verify this training please email: info@thesocialcaretraininghub.co.uk

Learning Outcome Report

Student Name: Mick Carter

Course Name: Health and Safety in the Home Care Leavers

Rating: ★ ★ ★ ★

Course Completion Date: 17/04/18

List 3 things you have learnt from the course.

FIRST

Student Comment: The main hazards to look out for around the home you are working on.

Managers comments:

SECOND

Student Comment: The importance of locking away hazardous things like cleaning products etc

Managers comments:

THIRD

Student Comment: Other aspects of safety you never think about like pet safety and car safety you

need to think about when transporting young people.

Managers comments:

HOW WILL THIS COURSE ENHANCE YOU AS A CARER.

Student Comment: It has made me aware of a lot of thing which are overlooked on a daily basis, in

future looking out for these will make sure everyone is as safe as they can be in

all situations.

Managers comments:

HOW WILL THIS COURSE HELP YOU WORK MORE EFFECTIVELY WITH OTHER AGENCIES.

Student Comment: I now have the knowledge to see a hazard and have this rectified quickly instead

of looking it up or worse dealing with a situation once it has happened.

Managers comments:

HOW WILL THIS COURSE ENHANCE YOUR PRACTICE WITH THE YOUNG PERSON YOU LOOK AFTER.

Student Comment: As stated above this will ensure hazards are either rectified or don't happen in the

first place, keeping the young people safe and secure from these before they

even happen.

Managers comments:

HOW WILL YOU APPLY IN YOUR NORMAL WORKING DAY WHAT YOU HAVE LEARNT TODAY. PLEASE BE SPECIFIC AS THIS WILL LOGGED ON YOUR FILE FOR FUTURE REVIEWS.*:

Student Comment: I will be on the look out for hazards in and around the home, also out side like

garden and vehicle safety making sure anything I see if brought to the attention

of the right people and fixed before there is an accident or incident.
